has yet been received.

In these circumstances I beg to submit that it would be better to have some additional police staff ready to meet emergencies.

Inspector of Police.

Memo

The original report of the "B" division Inspector is submitted to the Deputy Commissioner for kind perusal. Beg to state that I have no such information till now. Anyhow, I hear that extra police and military have been kept in readiness in Cantonment during Moharam.

Just now I received an order re the closing of Toddy and Arrack shops in the City, also and this I think might give the police some extra work. I therefore beg to suggest that Inspector General of Police may be kindly requested to order all the Reserve and police

police training school men
be kept in readiness in their
respective places during the
moharam to help me if there
is any necessity.

Assistant Superintendent
of Police.

Memo

The Assistant Superintendent of
police reports in person as follows:
(1) The post-master applied to
him to see that the post offices
in the city were better guarded.
(2) Mr. Raja Rao and others in
Malleshwaram asked him for
greater police supervision during
moharam disturbances.
(3) There was a scuffle between
non-co-operators and Mohammadans
in their houses on the question
of the latter firing up their
premises and resenting the

the expenditure thereon [illegible]
to the Khilafat.

(4) The public consider the Khilafat organisation amongst Muslmans as capable of leading to friction on very slight provocation.
